

NRO REVIEW COMPLETED

[ ] 3947-62

23 October 1962

**MEMORANDUM FOR THE RECORD**

**SUBJECT** : Discussions with Dr. Charyk Relative  
to CIA/NRO Arrangements on Cuban  
Reconnaissance

1. [ ]

a) Proposed operational [ ] flight plans to  
be forwarded DD/R immediately.

b) COMOR will present targets to DIA who in turn will  
present them to DNRO, and the CIA member will present  
targets to DD/R by 8:00 A. M. each day.

c) DNRO and DD/R will confer and agree on recommended  
plans for that day.

d) CIA will be kept informed by JRC on a real time basis  
of the operational status of flights.

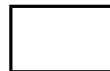

**2. NIMBUS:**

a) Target information should be supplied to the DNRO  
and DD/R by COMOR and DIA on a continuous basis but by  
late afternoon if to be included in missions for following day.

b) DD/R will be furnished a preliminary copy of the  
proposed instructions to SAC for the following day's missions.

c) DD/R will O. K. instructions or recommend amendments  
to DNRO rapidly.

d) CIA will receive copies of proposed SAC flight routes  
as received by JRC.
